WHEELING IS SUSPENDED.

Detective Who Struck a Visitor to Chief's Office Is Pegged Back Ten Holes-Fitzgerald Confirmed.

Woodin, McNear & Moore of Chicago, the firm offering to take the \$600,000 bond issue of Salt Lake at 414 per cent, was awarded the contract by the city council last night. Only two bids of the six received were given consideration, the other being that of Devitt, Trimble & Co., of Chicago, offering to take the bonds at par at 41/2 per cent and give a bonus of \$9,826. Considerable discussion was indulged in over the two bids, Councilmen Hall and Stewart contending that the tender of the Devitt people was the better for the city. The difference between the bids was finally determined to be that Woodin, McNear & Moore had the advantage of the difference between 4½ per cent and 43-10 per cent interest.

Hall and Stewart stood out until the last, and voted against the awarding of the bonds to the successful firm. The council will hold a special session Thursday evening for the purpose of passing an ordinance confirming the sale.

DON'T SPEND SO MUCH WHILE MAKING THE START.

One man, who wanted to start a savings account, but did not want to start with less than \$100.00, says he spent over \$900.00 in three years while trying to get \$100.00 together. He couldn't keep the first \$50.00 until he got the second \$50.00.

He then changed his plan and opened an account with \$5.00. In two years he has saved about \$846.00. We invite you to open an account at this bank with \$1.00 or more. Don't wait until you more. Don get \$100.00.
